Are you interested in working as a volunteer or intern in our village in Cambodia? We welcome energetic support, even for a limited term (i.e. 6 months+).

Here are some of the most frequently asked questions (and answers).

1) **What are the prerequisites?**  
You should be at least 18 years old, have completed your education and can communicate confidently in English. You should also be open to a culture that functions differently than what you are used to in Germany (or other "Western" countries), enjoy working with children and in a team and be able to work independently.

2) **How long does an internship last?**  
We are especially glad to have volunteers/interns that can stay with us long enough to really become part of the team. When awarding placements, we prefer such applicants. The absolute minimum term is six months.

3) **Which tasks will I be responsible for in the village?**  
That depends on your skills and abilities and will be decided on site together with the team. One significant task is supporting the teachers in the kindergarten and pre-school and to help with extracurricular activities.

4) **Can I live in the village? If so, what does it cost?**  
For our volunteers, we have several apartments with air conditioning available, each of which can house two people. These are assigned and the respective charges applied on a month to month basis. The current price is 120 USD per month per apartment. There is an additional charge of 1 USD per day for food (not including bottled drinking water) and (depending on use) charges for electricity and water.

5) **How are my visa, flight arrangements, health insurance, etc. handled?**  
You must take care of these matters yourself, and present documentation that you have done so before starting your internship.

6) **Where exactly in Cambodia is the village located?**  
Our village is located near Phnom Penh. We will let you know the exact address of the village when your application has been approved.

7) **Where and how can I apply?**  
Send us an e-mail to volunteers(at)kkev-cambodia.de and attach your CV or resume and include a letter of application in which you give us more information about yourself and explain your motivation for volunteering. Don't forget to include the desired time period and duration for your stay with us.

8) **Can I contact former volunteers if I have questions?**  
We are happy to forward questions to our former trainees; just include the following in the subject header of your e-mail: "Questions for former trainees" and send the e-mail to volunteers(at)kkev-cambodia.de.

**More questions? Just get in touch, we’re happy to help.**
